

Раздел 1 «Чтение». Максимум 20 баллов

Задание №1. Прочитайте текст. Установите соответствие между текстом и утверждениями последнего. Правильные утверждения - Т (True), неправильные - F (False).

(2 балла x 10 = 20 баллов)

We had a picnic with a football team from Castle Hill School. It was a nice day. The weather was sunny and warm. We were having a good time that day. I was sitting at a picnic table when somebody called me: "Hi, Max." It was David Traynor. We used to go to the same school a year ago. He moved to another house and changed schools. We were watching the other boys' football playing when he started talking. He said that he felt lonely because he could not make new friends at school. Then he told me about his new home, his interests... Funny, we hardly knew each other then, but there was something about him I trusted. Now we are the best friends.

1. It was a football match with a team from Castle Hill School. _____
2. There was no sun in the sky. _____
3. Max called David first. _____
4. This is David's story about how he met his best friend that day. _____
5. David and Max studied together a year ago. _____
6. Max knew David very well. _____
7. David and Max talked before the game. _____
8. David had no friends at school. _____
9. Max can trust David with his secrets. _____
10. They enjoyed the day. _____
